An account from Mr. Flock, ex-solicitor for London East, amounting to $705, was referred to No. 1. He also notified the city that three suits on account of defective grading on Elizabeth street were still pending.

THE SCHOOL ARBITRATORS' AWARD.

The award of the arbitrators appointed to report upon the dissolution of the union for school purposes of London East with a part of what was S. S. No. 25 of the township of London, now known as the Peglar Gore, was presented, signed by Messrs. Jas. McLeod. Wm. Kernohan, and John Dearness. The arbitrators recommended that the union school section be dissolved by detaching the whole of Peglar Gore from London East (now ward No. 5 of the city), and in adjustment of the claims consequent upon the dissolution they found that the interest of Peglar Gore in the unexpended balance on hand for school purposes amounts to $172, which shall be paid by No. 5 ward to the Treasurer of London township to be placed to the credit of the ratepayers of Peglar Gore; afterwards to be applied on the school taxes of the Peglar Gore ratepayers in whichever school section the Township Council may see fit to place them. The cost of the award to be borne equally by London township and London East. No. 1.

NUMBER THREE COMMITTEE.

Minority report per Ald. Stringer (chairman): 1. Recommended (a) that the tender of Joshua Hartley for the supply of relief wood in No. 5 Ward at $4 50 per cord, and (b) Maurice Baldwin for coal for the public institutions and offices: Chestnut at $6 20; grate, $6 15; egg, $6 10, and all soft $5 50 per ton, be accepted. 2. Your Committee submits for your consideration a claim from
